

COMMON-INTEREST COMMUNITIES IN NEVADA

2011 LEGISLATIVE UPDATE

COMPLIMENTARY SEMINAR PRESENTED BY MORRIS POLICH & PURDY LLP
IN CONJUNCTION WITH EXCELLENCE COMMUNITY MANAGEMENT

This seminar will provide an overview of the impact of the new laws and regulations affecting common-interest communities. As you probably know, the Uniform Common-Interest Ownership Act (the "Act") governs nearly all common-interest communities in the State of Nevada. Since the initial adoption of the Act, the Nevada legislature has sought to refine, clarify, and update its provisions during each legislative session. With the recent conclusion of the 2011 Nevada legislative session, board members and community association managers should be aware of notable changes to the Act, in addition to various new regulatory changes adopted by the Commission for Common-Interest Communities and Condominium Hotels. Each attendee will also receive a guide to the Act prepared especially for this event.

Presented by: Tracy A. Gallegos, Esq. and Danielle A. Kolkoski, Esq.
