

Entertainment Law

360°

Morris Polich & Purdy has extensive experience in business transactions and litigation in the entertainment industry including music, sports, art, motion picture and television.

We handle the purchase, sale, financing and licensing of entertainment properties, such as home video technology and music and video libraries, as well as the protection and enforcement of trademark and other proprietary rights.

We represent clients in joint ventures for television and motion picture production, concert promotion and theme park development. We have also negotiated talent, venue and sponsorship agreements.
