Diversity

OUR COMMITMENT TO DIVERSITY

More than just a word, diversity truly matters to us and to our clients. In keeping with our firm culture, we recognize the importance of diversity throughout the firm, to each other and to our clients. We are proud of our long affiliations with organizations that promote and support diversity in the legal profession, such as the California Minority Counsel Program and the Association of Corporate Counsel America. MPP was a sponsor of CMCP's 2009 Business Conference, which was co-chaired by one of MPP's partners, Richard H. Nakamura, Jr. (pictured below). For years, MPP worked closely with the diversity committee of ACCA's Southern California Chapter, and the Firm hosted ACCA SoCal's Annual "Profiles IN Diversity Reception" for four years (photographs of 2009 reception on next page). MPP is also committed to diversity internally, as demonstrated below:
